

Cleaning Schedules

There has recently been some confusion and complaints about changes to the cleaning schedules, so I have been discussing with WimPen. This is what we agreed

Thursday arrival

The villa will be fully cleaned throughout with new linen and towels

Monday

Interim clean with new linen and towels

Thursday Changeover only

The villa will be fully cleaned throughout with new linen and towels

Friday for those staying more than one week

The villa will be fully cleaned throughout with new linen and towels

New planting

Owners will have been disappointed that we lost the tree at the front. There is insufficient soil in the area for another tree, so the area has been replanted

With Best Wishes
